

Rubber Tile Accessories

Rubber Designs Rubber Tile Accessories are sold in conjunction with our Interlocking Rubber Tiles. Accessory color must match the rubber tile surfacing color unless otherwise stated.

Ramps

- **Standard Ramp:** Available in the same colors as our Interlocking Tiles to provide a seamless finished look.
- **ADA Ramp:** Offered in our standard black color only.

Inside & Outside Corners

Available in the same colors as our Interlocking Tiles to provide a seamless finished look.

U-Locks

Used as support for when two male ended tiles need to be connected. The use of U-Locks prevents the tiles from shifting and creating soft spots and gaps between tiles. U-Locks are available in our Standard Black Color.

Filler Sticks

Used as support for any cut tile. When used in connection with our Interlock Tiles our Filler Sticks prevent sagging and separation wherever tiles need to be cut. Filler Sticks are available in our Standard Black Color.
