

Rubber Wear Mats

Rubber Designs Wear Mats are ideal for use with loose-fill playground surfacing, helping prevent displacement in high-traffic areas like under swings. They enhance safety while reducing maintenance needs. These mats offer excellent stability and are resistant to vandalism. When safety matters, Wear Mats are a smart choice.

Product Details:

- Prevents rutting on loose fill surfaces under swings and at slide exits due to repetitive use
- Provides stability under swings, slide exits, and other playground equipment
- Heavy weight to help prevent theft
- Beveled edges help prevent tripping and allow for partial or full burial without creating hazards
